Chapter 1 by Rachel Dey

In a way it was four score and seven years ago when fried rice saved my life.

Chapter 2 by Caroline Danielski

I was playing soccer, my team was leading by four, the only points we had, when suddenly, the other team scored. Once, twice, thrice, and a fourth goal. They were about to score a fifth goal, and the largest defender was heading towards me... I was sure that I was going to die.
